

MESSAGE FROM THE MAYOR

On behalf of Peterborough City Council, I want to welcome all the competitors and their families to the City of Peterborough and to the 2016 Peterborough Kiwanis Music Festival and Competition., which is celebrating its 70th year.

Over the next few days, you will be exposed to a wonderful learning opportunity. Festivals like this one provide performing and competition experiences that will no doubt play a role in your personal development both as a musician and as a well-rounded individual.

I wish you well in your stay in our City, as well as in the ongoing development of your musical talents and life skills.

Sincerely,

Daryl Bennett

Peterborough City Council
