## MESSAGE FROM THE MAYOR

On behalf of the City of Peterborough, welcome to all the competitors and their families to the 72nd annual Peterborough Kiwanis Music Festival and competition from March 26-29 and from April 3-6 with the final concert on Sunday, April 15.

Over the next several days, you will be exposed to a wonderful learning opportunity. The Kiwanis Music Festival provides performing and competition experiences that will no doubt play a role in your personal development, both as a musician and as a well-rounded individual.

I wish you well in your stay in our City, as well as in the ongoing development of your musical talents and life skills. Thank you to all of the musicians, parents, supporters, teachers, volunteers and organizers who come together to make this festival such a tremendous success each year.

Sincerely,

A handwritten signature in black ink, appearing to read "Daryl Bennett".
